

Welcome to O-LEADING

O-LEADING is a professional PCB manufacturer with 100% export trade, including Europe, America, Africa, Asia, Oceania and other countries. We have more than 10 years' experience in the PCB manufacturing field, including all the advanced PCB technologies. We can support 100% export trade with the best price and quality. We are committed to providing you with the most professional PCB manufacturing services. We are committed to providing you with the most professional PCB manufacturing services. We are committed to providing you with the most professional PCB manufacturing services.

Product Description

Product Name	PCB
Material	FR-4
Thickness	1.6mm
Surface Treatment	ENIG
Drill Diameter	0.3mm
Drill Tolerance	±0.02mm
Registration Tolerance	±0.05mm
Dimensional Tolerance	±0.15mm
Lead Time	3-5 days
MOQ	1000 pieces
Payment Terms	T/T
Shipping Method	By Air
Warehouse Location	Shenzhen, China
Quality Control	ISO 9001
Environmental Protection	RoHS
Other Information
