Single gross weight	16.300 kg

Picture Example:

MOUNTING INSTRUCTIONS FOR AUTO FOAM / SOAP DISPENSER

IMPORTANT! FOR secure mounting, follow instructions thoroughly

Note: Ensure that dispenser is mounted so that bottom edge of dispenser is a minimum of 10", e.g. counter, back splash, etc.

OPENING DISPENSER

1. Dispenser cover may be opened by inserting key in slots on top of cover and depressing latch (Figure 1) or using optional push button (Figure 2)

SCREW MOUNTING DISPENSER

For porous, textured, or wallpapered surface, screw mounting is recommended.

Ensure that mounting hardware is appropriate for your wall surface.

1. The dispenser may be mounted using a minimum of two (or four) self-tapping screws and wall anchors. Ensure that proper mounting hardware is used for your wall composition.

TAPE MOUNTING DISPENSER

Tape mounting is possible using enclosed tape pads (provided separately).

1. Wipe back of dispenser thoroughly with clean dry cloth.
2. Remove backing paper from one side of tape pad. Carefully align pad on top section of dispenser as shown in Figure 1.

FAQ

Q: How can I get the automatic soap dispenser samples to check your quality?

A: Sample order is available, can be shipped by Express, you'll receive it in 3-7 days.

Q: What can I get the price?

A: We usually quote within 24 hours after we get your inquiry. If you are very urgent to get the price, please tell us in your email so that we will regard your inquiry as priority.

Q: What is your trade term of delivery?

A: We accept EXW, FOB Shenzhen or CIF destination port. You can choose the one which is the most convenient or cost effective for you.

Q: What about the lead time for the mass production?

A: Honestly, it depends on the order quantity and the season you place the order. Sample order is within 2 days. OEM/OEM order will need extra time.
